FNB Promotes Cashless Transactions

Bank gives customers double cashback as it celebrates 1st ‘Cashback Rewards’ birthday

Lusaka: November 28, 2016.

In celebration of the first anniversary of the Cashback Rewards Programme, First National Bank (FNB) Zambia Ltd has launched the Double Cashback Rewards Promotion where customers will now be rewarded with double the cashback amount for using their debit cards for swiping at Point-of-sale terminals.

This is in line with Government’s policy that aims to reduce the use of cash in facilitating commercial transactions. The Bank launched the Cashback Rewards Programme in November 2015 and became the first and only bank in Zambia that pays its customers for paying using their FNB debit cards.

In a media statement released in Lusaka, FNB Acting Head of Retail, Mr. Clive Mbula, said:

“We are the only bank in Zambia that pays customers for paying, and the Double Cashback Rewards promotion is our way of appreciating our customers for their positive response in supporting the initial rewards programme that we launched in November 2015. We have recorded major successes in this one year with a total rewards payout to our customers of over K5.2 million as at end of October 2016 and an increase of over 30 percent in the number of accounts using e-channels over the period. The programme not only encourages customers to adopt secure, convenient and innovative ways of making payments but also supports Government’s efforts in promoting more efficient transactional processing platforms away from cash.”

In October 2016, the Bank of Zambia issued a public circular limiting the amount of money that can be withdrawn through cheques to K25,000. This measure by the Central Bank is aimed at promoting the use of electronic payment methods. The launch of FNB Double Cashback Rewards promotion is therefore timely as it further encourages the adoption of e-channels as convenient and efficient platforms for making payments and other financial transactions.

As the leading bank in innovation in Zambia, FNB is constantly seeking better ways of meeting customers’ needs with a view to providing a superior customer experience.
