A white, rectangular MTN 5G CPE Router is shown against a teal background with a subtle geometric pattern. The router has a rounded top and a small MTN logo in the upper right corner. The text "Plug 'n Play" is printed in large, bold, black letters in the center. On the right side, there are three status LEDs labeled "5G", "4G", and a Wi-Fi symbol, all of which are illuminated. Below these is a circular button with a power symbol.

**Plug 'n
Play**
